GET ROOMMATES' CELL PHONE NUMBERS

Along with the CA on Call number in your phone (515-290-1652), get your roommates' cell numbers, too. Good info to

have in case you are locked out, need anything in the apartment, etc.

DEAD BOLT YOUR DOOR

Keep your apartment locked when you are not at home **including the dead bolt**. It's good practice even when you are in the apartment. Be smart. Be safe. Lock and dead bolt your apartment door!

CHECK OUT INFORMATION ... NOW AND IN AUGUST

- The end of summer check out deadline will be 5 pm Saturday, August 6.
- If you are moving back to the residence halls, you will be able to move into your fall room that same day, Saturday, August 6. You must be checked out of Freddy on Saturday, August 6, too.
- If your contract ends in August or if you are to move to a different apartment or fall, do not leave campus without

talking with the office to set up your moving plan and/or check out date.

- If you are visiting ISU as part of a special academic program, we will send you information on how to check out.
- If you check out prior to August, please stop by the office for all the information on how to have a successful check out (cleaning, turning in keys, completing the paperwork, etc.).

Plungers '101'

HOW TO USE A PLUNGER

- Freddy toilets are low flow toilets. This is good because it saves water. However, too much toilet paper can clog your toilet so go easy on the amount you use.
- Also avoid putting other paper products in the toilet.
- To put more water into the bowl as it flushes, hold the lever down longer.
- **Buy a plunger!** Don't just get one that's pretty....get a "good" one! Every apartment should have a plunger.
- If you don't know how to use a plunger, check this out:

MOVING VEHICLES FOR SEAL COATING JUNE 18-24

Frederiksen residents and employees are asked to park their vehicles in the north end of lot 112 (sections A, J, H or G) **from 10 pm Saturday night, June 18 until 5 pm Friday, June 24.** The south half of Freddy's Lot 112 will be closed for seal coating and then line painting. Cars were

moved earlier to prep the cracks before seal coating could be done.

Cars and other vehicles not moved **will be towed** at the owner's expense. Please contact ISU Parking at 515-294-3388 with any questions.

NOISE CONCERNS

While we don't have "Quiet Hours" at Freddy, we do ask all residents to be respectful of others' rights to sleep and study at any time of day. Noise that goes beyond your apartment and bothers others is not

okay. If someone is making too much noise, we encourage you to politely ask him or her to quiet down. If you need assistance, contact the CA on Call or the office. We will help.

KEEPING APARTMENT IN GOOD SHAPE ... LET US HELP

You are responsible for keeping your apartment clean and in good shape. Here are tips and ways we can help:

- Clean your apartment on a regular basis. Not used to cleaning? Our office has information on how to clean and suggested cleaning products.
- Trash begins to smell quickly. Take it out on a regular basis. Put trash inside the dumpsters...not on the ground, not on top of the dumpsters and not in the small cement containers.
- Report anything in your apartment that needs checked or repaired to <http://www.resservice.iastate.edu/>. You are not charged for normal wear & tear issues.
- If your light bulbs burn out, bring the old bulbs to the office and we will give you free replacements.
- If your smoke detector is "chirping," come to the office for a new battery.
- New shower curtains are available in the office. They are the correct size for just \$5 (goes on your Ubill).
- Develop a cleaning plan with your roommates so everyone is sharing in this responsibility. If you need help developing this plan, let us know.
- If you have vacant space in your apartment, that space needs to remain clear and clean for possible new roommates. The rest of the apartment (kitchen, bathroom and living room) should also be in good shape to welcome that new roommate.

FIREWORKS NOT OKAY

Possession or use of fireworks on campus is a University policy violation. Policy violations can impact your university record and your housing. The use of fireworks

disturbs others, can cause damage and is unsafe. If you see or hear fireworks at Freddy, immediately call the ISU Police (515-294-4428).

WORTH REPEATING

No pets at Freddy...except fish in 30 gallon max aquariums. Nothing else. Not even to visit. If a pet is found in your apartment, all residents of that apartment can be held responsible for its being there.

There is no smoking on Haber Road... smoking here is cause for a \$50 citation from ISU Police. Any questions let us know. Better yet....stop smoking!!!!

Kick it.

STOP SMOKING NOW.

BIKE REMOVAL PROCESS BEGINS

It is time for our annual removal of abandoned bikes to make room for fall residents' bikes. If you haven't done so, please move your bike to your new building. Bikes that appear to be abandoned will be photo'd and tagged. Check your bike for a

tag then follow the information on the tag. Signs will be posted to remind you of this process and the deadlines. Call the Freddy Office (515-294-2107) or the CA on Call (515-290-1652) with any questions.

THE GREEN and COURTYARD USE

We hope you will use and enjoy the grills and picnic tables located in or around each cluster of buildings. We also hope you enjoy using "The Green", the large space in the center of our community with the basketball and volleyball courts. Please remember to clean these areas after using them.
